**PSM  
ICEHOUSE**

**2026 SEASON**

# WHO ARE WE?

Formerly known as the Fort Wayne Derby Girls and Fort Wayne Derby Brats, we have merged and rebranded together to Fort Wayne Roller Derby. Our League now includes all genders and anyone ages 9 and up. We have a new venue for games: the PSM Icehouse. We greatly appreciate your support and hope to continue to see you as a patron, volunteer, or even a new skater!

## TODAY'S SCHEDULE

**Junior Mashup: 12pm**

**Open Gender: 2pm**

**FWRD**

*FORT WAYNE ROLLER DERBY*

VS

**CLEVELAND  
GUARDIANS**

**Food Not Bombs** is an all-volunteer movement that recovers surplus food that would otherwise be wasted and shares free vegan or vegetarian meals with people in need. At the same time, it actively protests war, poverty, and environmental destruction. Food Not Bombs functions as a decentralized, autonomous network dedicated to promoting food as a fundamental human right rather than a privilege.

# BASIC RULES

Penalties are served as 30 seconds off the track and can occur for a variety of reasons. Some of the most common include:

**Cutting the track** - passing an opposing player while out of bounds

**Multiplayer Blocks**- creating an impenetrable wall (usually by grabbing and holding another player)

**Illegal blocking** - using an illegal part to hit (elbows, forearms) tripping, clotheslining, or hitting another player in an illegal zone (middle of the back, above the neck, below the knees)

## PLAYER POSITIONS

**JAMMER:** Fights through the pack and scores points by passing members of the opposing team. they wear a helmet over with a star on both sides

**BLOCKERS:** the skaters without helmet covers who are trying to stop the opposing blocker and help their own jammer. there can be up to four blockers for each jam

**PIVOT:** the blocker wearing the helmet cover with a stripe is the only blocker who can receive a "star pass" to take the place of the jammer in the middle of a jam

## SCORING POINTS

Jams begin with one jammer for each team behind the line and the blockers in front of it. When the whistle blows, the jammers blast off and fight their way through the pack of blockers.

The first jammer to successfully pass all of the opposing team's blockers (while in bounds) becomes lead jammer for that jam.

After making the initial pass, each jammer receives one point for each member of the opposing team that they legally pass the next time around. Each jam lasts up to two minutes, or until the lead jammer calls off that jam by tapping their hips. You'll often see the lead jammer call off the jam as the opposing jammer is nearing the pack, right before the opposing jammer has a chance to score any points. On their scoring pass, jammers earn points for any opposing skaters serving a penalty.

**5150 The Gregulator**

## THANK YOU TO ALL OF OUR VOLUNTEERS AND OFFICIALS

It takes numerous volunteers to bring roller derby to our fans. Skating officials, NSOs (Non-skating officials), photographers, coaches, medics, and many more. We are grateful for every single person who helps us leave it all on the track.

If you're interested in becoming an official (we can teach you!) or helping out behind the scenes, reach out via Facebook or stop in during one of our practices on Tuesday nights!

## THANK YOU TO OUR SPONSORS!
